Soft Skills:

Responsible

Company

Work on team

Meticulous

Education /Courses

- Online IT school «Hillel» QA Manual

Few words about me: I got practical experience by doing my homework in school «Hillel» on the course «QA Manual » [<https://github.com/OlgaRuzhytska/CV-OlgaRuzhytska>]

I'm focused on growth within the company to become a Senior QA/QC Engineer in the future. If you have position relevant to my experience, please let me know. I'll be glad to tell you more about myself.
